The Bank-Fund Staff Federal Credit Union (BFSFCU) Digital Banking Alerts Service Agreement and Disclosure (“Agreement”) contains terms and conditions governing the BFSFCU Digital Banking Alerts Service (herein, “Alerts Service”) and outlines the rules that govern your use of the Alerts Service. This Agreement, along with any other disclosures we give you pertaining to your account(s), is a contract that establishes rules that control your account(s) with us. The Digital Banking Alerts Service Agreement and Disclosure supplements the Terms and Conditions that you received upon initial logon to Digital Banking and amends and becomes part of that initial agreement. Other documents that form this contractual agreement may include, but are not limited to, the Terms and Conditions that you have received and are applicable to your account(s) including any Change in Terms notices.

In this Agreement, the words “you” and “your” refer to you as the person or business entity entering into this Agreement, and also include any user you authorize to use the Alerts Service on your behalf. The words “we,” “us,” “our”, “Bank-Fund Staff Federal Credit Union” and “BFSFCU” refer to Bank-Fund Staff Federal Credit Union. “Alerts” are electronic notices from us that contain transactional information about your Bank-Fund Staff Federal Credit Union account(s).

By accepting this agreement or continuing to use the account(s), you agree to these terms and conditions. Also, you agree that Bank-Fund Staff Federal Credit Union as permitted by applicable law, may terminate, modify or otherwise change the Alerts Service and its terms and conditions, at any time upon providing any required notice.

Alerts Service Description. Bank-Fund Staff Federal Credit Union offers Security Alerts and Optional Alerts as described below.

We have no obligation to review or verify the criteria or options you set for any Optional Alert. If you wish, you can enable or disable an Optional Alert or modify any variable criteria or options for an Optional Alert from time to time.

We may add new Security Alerts or Optional Alerts from time to time, or modify or cancel the availability of certain Alerts. We will generally notify you when we modify or cancel Alerts, but are not obligated to do so. Please note that not all alerts are available for all account types.

An Alert does not constitute a credit union record for the deposit or credit account to which it pertains and that information reflected in an alert may be reflected on our systems and records at a different time (earlier or later) than the time we delivered the alert and that certain transactions or triggers may result in the generation of more than one alert, each of which may be delivered at different times.

Timeliness. We do our best to provide Alerts in a timely manner with accurate information but we do not guarantee the delivery or timeliness of any alert or the accuracy of the contents of any alert, whether you are within or outside the United States. You acknowledge and agree that your receipt of any Alerts may be delayed, misdirected or prevented by a variety of factor(s), including factors outside our control (e.g., unavailability of mobile or email service, settings such as "do not disturb" times) and our technical and administrative processes (e.g., for system maintenance). You agree to not hold Bank-Fund Staff Federal Credit Union, its directors, officers, employees, agents and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose. Wireless carriers are not liable for delayed or undelivered messages.

Alerts are not encrypted. We will not include your full account number in an Alert. However, alerts may include your name, mobile phone number, account nickname and some information about your accounts and activity. Depending upon which alerts you select, information such as your account balance or transactional data may be included. Anyone with access to your email or mobile device(s) will be able to view the contents of these alerts. You understand and accept that an alert is transmitted electronically and you acknowledge that you have no expectation of privacy with respect to such information. You acknowledge that the information in the alert is unencrypted and can be accessed, used, or misappropriated by unintended third party recipients.

Security Procedures. The phone is assumed to be secure with the owner and it is the owner's responsibility to lock the phone for privacy. The alert history being returned from your account will remain in your messaging history until deleted.
