MORTGAGE PAYMENT PROTECTION

Protect your most important investment.

Mortgage Payment Protection helps pay your mortgage when you can’t.

When you have Mortgage Payment Protection, not even death, disability, or involuntary unemployment can stop you from making your house payments. You and your family may be covered for a critical period of time you need to get back on solid financial ground. You can rest easier knowing you’ve done more to protect what matters most.

Satisfaction guaranteed. If you are not completely satisfied for any reason, you can cancel within the first 30 days and the insurance charges paid will be refunded in full.

Totally voluntary. Won’t affect your loan approval.

Easy to find out if you’re eligible. Just answer a few quick questions about your work and health. No doctors or long questionnaires.

How long could your family go without a paycheck?

- **Buy time to catch your breath** and get back on your feet.
- **Free up mortgage payment money** to help meet other financial obligations.
- **Reduce the need to dip into investments** and retirement funds.
- **Economical coverage**. Fits most family budgets.

Protect your home and family against the unexpected.
